

Irondequoit Pediatrics would like to introduce the newest members of our team. Drs. Campbell and Cicozi will be essential to help continue to have 7-day a week 365-day a year office hours helping to cover evening and weekend hours. You may see them for your Well Visits and Sick Visits as we strive to have *Exceptional Care Every Step of the Way*. We are certain you will enjoy their enthusiasm and appreciate the care they provide to your children.

Jim Campbell MD has been practicing pediatrics since 1988. He was a provider at the Rochester General Pediatric Associates. He received a Masters of Public Health in 1993 and has been instrumental in promoting Lead safety not only in Rochester, but across the country. He brings a wealth of experience and enthusiasm.

Kate Cicozi MD has just completed her residency in Pediatrics at the University of Rochester and has been given the honor to be one of their Chief Residents this year. She will bring new ideas and treatment modalities to our practice while she works both at the medical center and at our office.
